Scheme ID	357
Country	 Italy
Reporting year	2020
Type of instrument	Payback clause
Sub-type of instrument	Payback clauses are possible with no explicit limitations
Type of entry	Single instrument

Short description	There is no legislation regulating the payback clause for training. The reference laws are labour laws. It could be included in the overall payback clause of the contract. The main legal basis is the Civil Code, Art. 2118, regulating relations between employers and employees: "Either party may terminate the permanent contract of employment, giving notice in time and manner established by corporate rules, custom or equity"(it refers to permanent contracts). 'Corporate rules' means collective agreements. Where not mentioned, it can be subject to negotiation between employer and employee.
