Short description	The MOD promotes lifelong learning among members of the Armed Forces, and this is encouraged through the Learning Credit schemes. The Enhanced Learning Credit (ELC) scheme helps eligible Service personnel (SP) or Leavers (SL) with the cost of learning. The scheme allows a single award in each of a maximum of three separate Financial Years, or a single aggregated lower-tier award. ELCs may be claimed for learning which is an integral part, and results in the cost-effective achievement, of a nationally recognised qualification at Level 3 or above. 80% of eligible costs can be covered (up to EUR 7 127). The ELC scheme permits Regular SPs to pursue their personal development, both during their Service and generally for 5 years after discharge.
