REQUEST FOR CLARIFICATION (1) – QUESTIONS AND ANSWERS

Question Nr. 1

a) We need further clarification about the “professional risk indemnity insurance”, as seen on the tendering specifications in point 3.2 “Selection Criteria”

[...]Proof of economic and financial capacity may in particular be furnished by one or more of the following documents:

appropriate statements from the banks, or evidence of professional risk indemnity insurance;
[...]

The point is that there is more than one kind of: “Professional Risk Indemnity Insurance”. What I mean is that such insurance can be, for instance, a generic Professional Insurance or an ad hoc insurance in which it is stated clearly that the risk related to the specific tender are covered (so the tender will be mentioned in the insurance).

b) Moreover I would like to know if such insurance should cover the subcontractors, too.

Cedefop’s clarification to Question Nr. 1

a) If you choose to submit this particular evidence for the Economic and Financial Capacity, then a generic Professional Risk Indemnity Insurance is sufficient.

b) As mentioned in point 4.2 of the tendering documents “All subcontractors must provide the required evidence for the exclusion and selection criteria”.
