A barber's dream (TIME2CREATE team)

The story of Svajunas, a young man who gained a barber qualification and works for one of the most popular barber shops in Vilnius, was told by photography

students Edita Aleksandravičienė and Irena Masandavičiūtė. The photographers say: 'Svajunas's choice to become a barber was unexpected: a man asked him to cut his hair, he tried and got inspired in the process. He then studied for three years, and now, still only 20, he already impresses, surprises and inspires with his ability.'

Our outdoor education (Tanagh Trainees 2016/17 team)

Tomás Mc Kenna, Adrian Callaghan and Ramada Diver depicted the experience of their training to become canoeing and kayaking instructors. They chose the winning images 'to represent both the vibrant and challenging experiences that we all shared together; as a result, we all share a very strong bond.'
