Section VI: Complementary information

VI.2) **Additional information:**

Cedefop was obliged to cancel the award procedure for the following reason: an essential condition in order to complete the execution of the works for the creation and construction of a space for the archives, was, as laid down on page 2 of the technical specifications of the tender notice, the construction of an industrial floor, which should have been already completed. As, for technical and economic/management reasons, the completion of the construction of an industrial floor by own means was not possible, it was decided to cancel the present tender and to issue a new extended tender with the object of constructing the industrial floor as well as creating the space for the archives.

VI.4) **Date of dispatch of this notice:**

26.3.2008.
