The tenderers must submit documentary evidence (or statements, where required) of their economic, financial, technical and professional capacity to perform this contract. *The eventual non-submission with the tender of the below required documents / statements will lead to the exclusion of the tenderer from further evaluation.*

Correction 1: The second sentence (given in italics above) is deleted. Therefore the text in the second paragraph of point 3.2 “Selection Criteria” (page 22 of the Tender Document) shall read as follows:

The tenderers must submit documentary evidence (or statements, where required) of their economic, financial, technical and professional capacity to perform this contract.
