If awarded, the contract will be signed by the selected tenderer (the contractor), who will be vis-à-vis Cedefop the only contracting party responsible for the performance of this contract. Cedefop has no direct legal commitment with the subcontractor(s).

For more information please refer to the tender documents.

If, for some exceptional reason, the tenderer is unable to provide one or other of the above documents, he is required to justify the non-provision and may prove his economic and financial capacity by any other document which Cedefop considers appropriate.
