Section III: Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.1) Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

Participation in this tender procedure is only open to tenderers who are in a position to subscribe in full to the 'Declaration on honour on exclusion criteria and selection criteria', given in Annex C of the procurement documents.

All tenderers, all group (consortium) members (if any) and any subcontractor(s) (identified as per the 2 bullet points in the fourth paragraph of point 4.2 of the procurement documents) must provide the declaration on honour found in Annex C duly signed and dated.

— Tenderers may choose between submitting a joint offer as a consortium/grouping or by introducing a bid as a single tenderer, in both cases with the possibility of having 1 or several subcontractors. Whichever type of bid is chosen, the tender must stipulate the legal status and role of each legal entity in the tender proposed.

— Subcontracting is allowed and is defined as the situation where a contract has been or is to be established between Cedefop and a contractor and where the contractor, in order to carry out that contract, enters into legal commitments with other entities for performing part of the service. If awarded, the contract will be signed by the selected tenderer (the contractor), who will be vis-à-vis Cedefop the only contracting party responsible for the performance of this contract. Cedefop has no direct legal commitment with the subcontractor(s).

For more information please refer to the procurement documents.

III.1.2) Economic and financial standing

List and brief description of selection criteria:

The tenderer must be in a stable financial position and have the economic and financial capacity to perform the contract.

Requirement:

- the average annual turnover of the tenderer for the last 3 financial years concerning the type of services covered in this call for tenders should be at least 30 000 EUR.

Minimum level(s) of standards possibly required:

Proof of economic and financial capacity must be furnished by the following document:

— signed statement (please fill in and sign your statement in questionnaire 2 of Annex G of the procurement documents) of the tenderer's turnover for the last 3 financial years concerning the type of services similar in nature to those making the subject of this call for tenders.

In the case of a consortium (grouping) or subcontracting each member of the consortium and all subcontractors (in line with points 4.1 or 4.2 of the procurement documents) must provide the required statement for the economic and financial capacity, but the assessment of whether the minimum requirement is met will bear on the consortium as a whole or the tenderer together with his subcontractors.

In the event of recommendation for contract award the winning tenderer (single tenderer or in the case of a consortium (grouping) each member of the consortium) will be requested to prove the above by submitting audited financial statements (audited profit and loss account/statement or equivalent) if these are foreseen by the respective national legislation. Should total subcontracting exceed 40 % of the work by value, Cedefop reserves the right to request audited financial statements also from the subcontractors. For tenderers or subcontractors (identified as per any of the 2 bullet points in paragraph 4 of Article 4.2 of the procurement documents) who are natural persons/freelancers, a tax declaration and tax clearance statement for the last 3 financial years will be requested.

If, for some exceptional reason the winning tenderer (or any consortium member or subcontractor) is unable to provide 1 or the other of the above documents, they will be required to justify the non-provision and may prove his economic and financial capacity by any other document which Cedefop considers appropriate. Cedefop reserves the right to request any other document enabling it to verify the tenderer's economic and financial capacity.

III.1.3) Technical and professional ability

List and brief description of selection criteria:

The tenderers are required to have sufficient technical and professional capacity to perform the contract.

Requirements for technical and professional capacity:

— the tenderer must have ability to provide mobile telephony services on the whole Greek market.

Minimum level(s) of standards possibly required:

Proofs/evidence of technical and professional capacity:

The following documents or information must be presented by the tenderer to prove his technical and professional capacity to perform the proposed contract:

— brief company profile with a presentation of the organisational structure of the company (please fill in Annex G, questionnaire 4 of the procurement documents),

— network map showing geographical coverage of the company's existing infrastructure,

— licence for the provision and the handling of mobile voice and data services in Greece as described in Section 2 — technical specifications of the procurement documents,

— list of at least 3 contracts performed in the past 3 years (to have been concluded by the deadline of submission of offers) similar to the scope, size and nature of this call for tenders, describing the contracting authorities, the amounts and the dates (please fill in Annex G, questionnaire 3 of the procurement documents).
